

Hide And Seek

This game is to help your child learn pronouns; **he**, **she** and **they**.

To play this game you will need some small figures e.g. play mobile or lego people.

First ask your child to hide the figures around the room for you to find. Each time you find a figure say where you have found it using the pronouns **he**, **she** and **they** so your child can hear the words lots of times,

e.g. '**He** was hiding behind the TV, **she** was under the chair.'

Next you hide the figures for your child. Encourage him or her to tell you where each figure was using the pronouns **he**, **she** and **they**.

You may have to encourage your child to use the right words. If your child makes a mistake repeat the correct word for them.

e.g child: 'Him behind there.'

adult: 'That's right, he was behind the cushion.'

Variations:

To make this game easier work on just one pronoun at a time.

To make this game harder use lots of figures to hide.
