

# Bounce the Ball

This game is to help your child learn pronouns; **him**, **her** and **them**.

You will need a ball and some soft toys e.g. teddy to represent 'him' and a doll to represent 'her'. You will also need a group of soft toys to represent 'them'.

Give your child instructions who to bounce or roll the ball to,

e.g. 'Bounce the ball to him.'  
 'Now roll it to her.'  
 'Roll the ball to them.'

Remember to let your child be teacher and give you some of the instructions.

You may have to encourage your child to use the right words. If your child makes a mistake repeat the correct word for them,

e.g child: 'Him want ball.'  
 adult: 'Oh, **he** wants the ball. Here you are.'

## Variations:

To make this game easier work on just one pronoun at a time.

To make this game harder use he, she and they as well as him, her and them,

e.g. 'He wants the ball. You roll it to him.'
